EXPLANATORY NOTES ON AGENDA ITEMS**Item 1 – Financial and other reports**

The Company is required by the Corporations Act 2001 to table the Financial Report and the Reports of the Directors and the Auditors on the Financial Report for the year ended 30 June 2008. Shareholders are not required to vote on these reports but will have ample opportunity to raise questions on the Reports and on the performance of the Company generally at the meeting.

Item 2 - Election of directors (ordinary resolutions)

- (a) Mr Nickson was appointed by the Board to fill a casual vacancy on 5 November 2007 following the retirement of Mr Ross McLean. The Company's Constitution states that any director so appointed must retire at the next annual general meeting to be held on 6 November 2008 and, being eligible, offers himself for re-election. The Board (with the relevant Director abstaining) unanimously recommends that the shareholders vote in favour of the re-election of Mr Nickson.
- (b) Mr Scidone was appointed by the Board as an additional director on 22 February 2008. The Company's Constitution states that any director so appointed must retire at the next annual general meeting to be held on 6 November 2008 and, being eligible, offers himself for re-election. The Board (with the relevant Director abstaining) unanimously recommends that the shareholders vote in favour of the re-election of Mr Scidone.

EXPLANATORY NOTES ON AGENDA ITEMS (continued)**Item 3 – Remuneration Report (ordinary resolution)**

The Corporations Act 2001 (the Act) requires listed companies to make expanded disclosure in respect of director and executive information. As a result, the Directors' Report must include a section called the "Remuneration Report". This report is set out on pages 13 to 29 of the Concise Annual Report. Additionally, the Act requires listed companies to put the Remuneration Report for each financial year to a vote of members at the Company's annual general meeting.

Under the Act, the vote is advisory only. Accordingly, the vote is not binding on the Company and does not affect the employment arrangements in place for employees of the Company and its subsidiaries.

In summary, the Remuneration Report:

- explains the principles used to determine the nature and amount of remuneration of Key Management Personnel (KMPs) of the Company. The KMPs have the authority and responsibility for planning, directing and controlling the activities of the Company and include the directors and the 5 executive officers exercising the greatest control over the Company's activities;
- details any performance conditions applicable to the remuneration of KMPs;
- sets out the remuneration details for KMPs of the Company; and
- sets out particulars of short-term and long-term incentives and key employment terms of the relevant KMPs.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the meeting.

The Board unanimously recommends that shareholders vote in favour of the adoption of the Remuneration Report.

Item 4 – Renewal of Proportional Takeover Provisions (special resolution)

At the Company's Annual General Meeting held on 8 November 2005 shareholders approved the renewal of Rule 6 of the Company's Constitution which specifically provides that transfers of shares resulting from a proportional takeover offer cannot be registered unless members in general meeting have approved the offer. In accordance with section 648G of the Corporations Act 2001 (the Act), Rule 6 will cease to have effect after 7 November 2008 unless again renewed for a further 3 years.

Renewal of proportional takeover provisions

The Directors consider that it is in the interests of shareholders for the operation of the proportional takeover provisions to continue and accordingly propose that Rule 6 be renewed and this will allow 3 years to remain before shareholders must again consider the provision. That is, it would cease to have effect after 5 November 2011, unless renewed again.

The renewal of the proportional takeover provisions is a special resolution and therefore requires 75% of the persons present (in person or by proxy) and entitled to vote and voting, to vote in favour of the resolution.

The information set out below is required to be included in this Explanatory Note by section 648G(5) of the Act.

Reason for including a proportional takeover provision

In a proportional takeover bid, the bidder offers to buy a proportion only of each shareholder's shares in the target company.

This means that control of the company may pass without shareholders having the chance to sell all their shares to the bidder. The bidder may take control of the company without paying an adequate amount for gaining control.

In order to deal with this possibility, the Company may provide in its Constitution that if a proportional takeover bid is made for shares in the Company, shareholders must vote on whether to accept or reject the offer and that decision will be binding on all the shareholders.

The benefit of the provision is that shareholders are able to decide collectively whether the proportional offer is acceptable in principle and it ensures that any partial offer is appropriately priced.

Effect of proportional takeover provisions

If a takeover bid is made under a proportional takeover scheme, the directors must ensure that shareholders vote on a resolution to approve the takeover scheme more than 14 days before the bid period closes.

EXPLANATORY NOTES ON AGENDA ITEMS (continued)

When voting on the resolution:

- each shareholder has one vote for each fully paid share held; and
- each partly paid share carries a fraction of a vote, reflecting the amount paid up.

The vote is decided on a simple majority.

The bidder and its associates are not allowed to vote.

If the resolution is not passed, transfers which would have resulted from the acceptance of a bid will not be registered and the bid will be taken to have been withdrawn.

If the bid is approved (or taken to have been approved) the transfers must be registered if they comply with the Act and Company's Constitution.

The Directors will breach the Act if they fail to ensure the approving resolution is voted on. However, if the resolution is not voted on, the bid will be taken to have been approved.

Rule 6 does not apply to full takeover bids and only applies for 3 years after the date the proportional takeover provisions were last approved or renewed. The provisions may be renewed, but only by a special resolution.

Present acquisition proposals

At the date this statement was prepared, no Director is aware of a proposal by a person to acquire, or to increase, a substantial interest in the Company.

Advantages and disadvantages

The Directors consider that there are no advantages or disadvantages for them in Rule 6 being renewed as they remain free to make a recommendation on whether an offer under a proportional takeover scheme should be accepted. The Directors consider that there have been no specific advantages or disadvantages to them during the period that Rule 6 has been in effect.

The potential **advantages** of the takeover approval provisions for shareholders of the Company are:

- shareholders will have the right to decide by majority vote whether an offer under a proportional takeover scheme should proceed;
- the provisions may help shareholders avoid being locked in as a minority;
- the bargaining power of shareholders may increase which may ensure that any partial offer is adequately priced; and
- knowing the view of the majority of shareholders may help each individual shareholder assess the likely outcome of the proportional takeover offer and to decide whether to accept or reject that offer.

The potential **disadvantages** for shareholders of the Company include:

- proportional takeover offers for shares in the Company may be discouraged;
- shareholders may lose an opportunity of selling some of their shares at a premium if the proportional takeover offer does not proceed; and
- the chance of a proportional takeover being successful may be reduced.

The Directors consider that the above advantages and disadvantages have equally applied during the period that Rule 6 has been in effect. During this period, there have been no takeover bids for the Company, so there are no actual examples against which to review the advantages and disadvantages. The Directors are not aware of any proportional takeover bid that was discouraged by Rule 6.

The Directors consider that the potential advantages for shareholders of the takeover approval provisions outweigh the potential disadvantages. In particular, shareholders as a whole are able to decide whether or not a proportional takeover scheme is successful.

Recommendation

The Directors consider that the renewal of the proportional takeover provisions in Rule 6 is in the interests of the shareholders and recommend that shareholders vote in favour of the renewal of Rule 6 of the Constitution.
